**Titulo: INTERVIEW WITH DOÑA ANA VIRGINIA CALZADA, PRESIDENT OF THE SALA IV:**

**DATE: 03/03/2010**

#### **INTERVIEW WITH ANA VIRGINIA CALZADA, PRESIDENT OF THE SALA IV:**

REPORTER: AMELIA RUEDA.

GUEST: DOÑA ANA VIRGINIA CALZADA, PRESIDENT OF SALA IV.

P/ We have some doubts right now or we are waiting for 2 answers, one is Crucitas and the other one is for the appeal of the traffic law, Mrs. Calzada ¿What can you tell us about that?

DOÑA ANA VIRGINIA: Well the matter with Crucitas is to be seen in a few days, the matter is very complicated, we have to analyze a series of documents that are complicated and the file is very big, I think this will take us about a month or a month and a half to resolve this issue. The matter with the Traffic law we are examine it in this moment and we will see how to proceed.

#### **Title: SALA IV WILL RESOLVE CRUCITAS AFTER SEMANA SANTA.**

**Date: 03/03/2010**

#### **SALA IV will resolve Crucitas after Semana Santa.**

The President of Sala Constitucional, Ana Virginia Calzada, said that the open pit mining in Crucitas will be resolved after Semana Santa. Calzada argued of the complexity of the case and the size of the file.

**ANA VIRGINIA CALZADA:** “Well the matter with Crucitas is to be seen in a few days , the matter is very complicated, we have to analyze a series of documents that are complicated and the file is very big, I think this will take us about a month or a month and a half to resolve this issue.

The Group that is against the Project said that this could affect the Bellow almond, the habitat of the lapa verde, currently endangered species Habitat. The case has been more than a year in the Sala constitucional.
